CROSS COUNTRY

Cross country is a lonely sport, with no glamorous rewards, that takes a great deal of individual effort to succeed. Our Lowell runners are especially aware of this as they ended their season with one win, eight losses and placed last in conference. Senior Mark Bartz led the team, and Kelly Pierce was awarded most improved runner. Coach Dan Martin, who is new to the sport himself, has a great deal of confidence in next season.

BOYS' TRACK

This was a year of gaining experience for the young Red Devil team. Statistically disappointing, the boys went far on the individual level. Sectional qualifiers included 3 seniors, 3 juniors, and 4 sophomores. Moving on to Regionals were Mark Wietbrock in pole vaulting and Mark Langen for the 100 yard dash. Keeping the morale up were seniors Don Peddy, Chester Bunkowfst, Greg Duncan, Chuck Sharkey, Mark Bartz, and Mark Wietbrock. Coach Cusic is optomistic about next year, looking forward to an experienced team.

Girls' Volleyball

It was back to the basics for the new Coach Sue Pantos and her young and inexperienced team. She stressed the fundamentals for a base to add to in future years. Returning seniors were: All-Conference player Tammy Cox, Piper Spry and Linda Johnson. Five of the six varsity players were sophomores, and Coach Pantos is hoping for individual improvements as well as an overall boost in team play.

The girls' track team finished with a 6-8 season of building and improvement. Adding their experience were seniors, Becky Zunica, Kathy Fry, Piper Spry, Nancy Yankauskas, Mindy Allie, and Veslie Venditti. There were records broken in the mile, long jump, softball throw, 400 run, and 880 medly relay, while six teammates qualified for sectionals in nine different events. New to Lowell was Coach Susan Pantos. She believes the girls began to realize that track is a sport in which one works to satisfy the inner self. All in all, the girls' season was outstanding

LOWELL'S DEVILFISH

Year round practice and dedication are strong factors in building a successful swimming team. Building is just what Coach Ron Coghill has been doing for the past few years that he has coached the Devilfish, improving the team each year. This past season has been especially fulfilling for the underclassmen, Mike Artim, John Bochstahler, Doug Cooper and Chuck Sharkey. All set a record on the 400 Free Relay. Back stroker, Doug Cooper was Lowell's lone finalist in Sectionals and was named outstanding swimmer. Despite a 6-7 season, Coach Coghill is predicting a winning season next year with a multitude of skilled swimmers.

Girl's Swimming

A swimmer is an athlete of beauty, determination, and dedication. Being in an individual sport, the swimmer can depend only on herself for success and blame only herself for failure.

Lowell should be very proud of the girls' team, for in the past 6 years we have sent an average of 4 girls to state competition. The dedication and determination has paid off for the Turtles, and each individual girl can be personally proud of the teams accomplishments.

AMAZING GRACE

Working under better conditions this year, the gymnastics team improved considerably. The team received some badly needed equipment and was able to practice in the new gym instead of traveling to Lake Prairie for practice. The girls had a full optional team for the very first time. This enabled the entire team to compete evenly against its opponents. The team is looking forward to a better season next year, although it will be losing five of its team members.

VARSITY-J.V. BASEBALL

Coach Dermody said, "We had a fine season, 16-12-1, anytime you have a winning season it's good." The only returning varsity pitcher was Jeff Smith. Smith finished the season with a record of 7-3. Another senior pitcher was Dan Wlenklenski, who finished the season with a record of 6-4-1. Other outstanding members were: Rusty Bruce, a good short stop and hitter, John O'Drobinak, hitting over 400. Jim O'Drobinak tied the school record of home runs in one season (6). Coach Dermody remarked that it was a pleasure working with such a fine ball club.

Top Left: RELAX and catch the ball! *Bottom Right:* Where is the ball?

Highlighting the season for the Girls' Basketball was victory in the first Lowell Tournament. They edged out Andrean by 3 points in overtime, in the final game.

Two time All-Conference player, Becky Zunica, was also voted Varsity's Most Valuable Player while Ly. da Greiner was Channel 50's runn. r-up player of the week. Leading the way in statistics was Kathy Fry and for the J.V., Susan Bedoian who also won the MVP Award.

The teams finished 6-9 Varsity and 4-8 J.V. but showed much individual improvement. Coach Becky Ainsworth, from Lowell Middle School, is very optimistic about next year, although she admits the team will surely miss the seniors' experience.

BOY'S TENNIS

Finishing with a 4-9 season was the boys' tennis team. The team was very young, and included only two seniors, Dan Wleklinski and Art Kasparian. There was much individual improvement throughout the year, developing a good attitude and strength in the underclassmen. Coach Cameron is expecting an intensive season, as well as added power, in the boys' next season and the future. This year Pete Weiand and Steve Korte were voted MVP.

GIRL'S TENNIS

The third year of the girls' tennis team showed a great deal of improvement and growth in skill and team dedication. In tennis, a very individualized sport, the athlete must have a high level of self-discipline and determination. This year's team has shown these characteristics above and beyond any requirements set by the coach. Also, being a very young team, the future of the girls' team will be one of success and individual fulfillment.

The team members can be proud of their overall accomplishments for they have worked together, proven thier dedication to themselves, and this year's team has shown the highest level of tennis.

BOY'S GOLF

Ending with a 18-9 season the Boy's Golf Team had a progressive year. Although 4th in conference, Mike Bedoian and Steve Korte made the all Conference team, and the school record was broken with a 147. Mike was also awarded with the John Alkire Award for Golf given by our school. With only two seniors, Jon Oppenhuis, and Art Kasparian, the team and Coach Bill Berger are looking forward to next year with a multitude of outstanding lettermen returning.

GIRLS' GOLF

Striking out on its own for the first time ever, the brand new Girls' Varsity Golf team achieved a perfect 5-0 record. The team hit its peak in winning the '76 La Porte Invitational, defeating ten other teams on the grueling golf course. Its victims included eventual sectional winner La Porte and top ranked Valporaiso. The teams biggest fan and loyalist supporter was Coach Wilma Hardesty, former gymnastic mentor, who helped steady her young squad. Despite a somewhat disappointing sixth place finish in sectional play after its outstanding season, the girls have nothing but high hopes for next year. With its seasoned veterans the golf program is in for many years of successful "swinging".

FROSH–J.V. WRESTLING

Under the able direction of Coach Cammeron, the Freshmen Wrestling team made gigantic strides. T. Johnson, B. Franklin, and J. Boyles were all winners in the Conference Tourney. Freshmen could be found wrestling at all levels, and they demonstrated their progress by earning top placement in several tourneys.

The J.V. not to be out-done put in one of its best seasons, with Coach Vandenbemden at the helm. The team earned a 4th place in the Portage tourney.

VARSITY WRESTLING

The Varsity "Grapplers" did well this year. Trying a new approach, which added to the excitement, they often waited until the last possible moment to pull the team through to victory. The "Grapplers" came in fourth in the Crown Point sectionals, and if the indications from the Freshmen and J.V. teams are true measure, the school has many good years of wrestling to look forward to.

FRESHMEN FOOTBALL

Although it compiled only a 0-7 record, the scores do not indicate how the team operated on the field. The losses were not one-sided defeats, but defeats by numbers. The team was admirably led by George Bravos, who was voted Most Valuable Freshmen Player. The Most Improved Player award went to Jeff Rosenbauer who saw both defensive and offensive action.

Among the players several excelled: Chuck Sharkey—Most Valuable player, Randy Hansen and Jim Wagner—Offensive Linemen of the Year, and Mike Blissmer—Defensive Lineman of the Year.

JR. VARSITY: The J.V. team performed very well as a team. The members encouraged each other and improved their play as the season progressed. These young men are going to contribute greatly to Lowell athletics in the future. The team earned a 50-50 season.

SPECIAL EVENTS

This year we had two really special events (count 'em two). The "rock" concert featured a group called "The Sunshine Express." The group generated much enthusiasm within the student body. At times the teachers were even seen enjoying themselves. The second, consisted of Careers Day. On this occassion, students attended lectures of their choice that were given by professionals in that particular field of endeavor.

"HOW TO SUCCEED . . ."

This years musical was "How to Succeed in Business Without Really Trying." The choir presented the show May 29 and 30. Though the group did not play to a full house, the play was definitely a success. The play dealt with a young man trying to get ahead in the world, and it contained humorous overtones. The lead was played by Mike Ford; costarring were fellow seniors Janet Hoover, Shari Sharkey, John Rust, and Fred Alm plus a great supporting cast. The sets were creatively styled, and the stage crew did an excellent job.

SUMMER BREEZE . . .

Amidst paper flowers, wishing wells, parachutes, and corn starch the 1977 Prom took place. The junior class held the prom in the Multi-Purpose area, thus spending their money and time on decorations. The group was "Bonfire" and an interesting sideshow was the collage of pictures (donated by yearbook) arranged on the wall of various members of the junior and senior classes. The theme of the prom was "Summer Breeze." The king and queen of this menagerie were Glenna Earley and Dan Harper.

Clockwise: How would you like a Hawaiian punch? The royal couple, Dan and Glenna. Passing the time. "Walk this Way." Signing in. Kim and Eric dance. A junior chorus line.

SENIOR BANQUET

The first Senior Banquet was held at 7:00 p.m. on Friday, May 13, in the Devil's commons. The turnout was larger than had been expected and included many midterm grads. After eating (pot-luck style) the senior members honored the "Hall of Fame" seniors, then each individual member received an award for belonging to the class. The seniors also honored Mr. and Mrs. Kuruzovich, Mr. and Mrs. Drukemiller, Mr. and Mrs. Schuster, and the senior class sponsors. Mr. Drukemiller concluded his speech warning that school will be held on Monday (planned ditch day). After the speeches, a dance was held for the seniors in the Multi-Purpose Room.

Where do we go from here?

As promised the 1977 commencement exercises began promptly at 2:00 p.m. on May 22. As the class marched in, the band played the traditional "Pomp and Circumstance." Clad in red and white gowns the graduates took their seats in front of a full house of family and friends. Speeches were given by fellow classmates, Laurie Buche, Shari Sharkey, and Violet Trbojevic. Following the speeches, the moment arrived everyone had waited for—the presentation of the diplomas. Mr. Gary Drukemiller presented the diplomas assisted by Mr. John Kuruzovich and Joyce Kramer. In unison the seniors were then allowed to place their tassels to the right side. The ceremonies were over sooner than many seniors had anticipated, and they marched out in step to "Fanfare and Recessional."

L. R. HITZEMAN-ROBERTS INS.

In 1976, America's independence will be 200 years old.

That independent spirit became the foundation of American business, and the Independent Agent System of the insurance industry.

Today, most property and casualty insurance companies sell only through the Independent Agent.

And, he still gives you the good counseling, service and choice of policies that only an Independent Agent can give.

ACKNOWLEDGEMENTS

Lowellian 1977 would like to thank some sepcial people for their special assistance ... Mr. Tom Wilson for his help and guidance ... Mr. George Kingsley, our yearbook representative, for his patience ... Mr. Dobbs, our photography sales representative ... Don Wleklinski for his art on the ad section and photography ability ... "Leaves of Grass" experts were taken from Mr. Walt Whitman ... And a special thanks to our patrons and advertisers without whose financial assistance this book would not be possible.

Specifications

The Lowellian 1977 was printed in Montgomery, Alabama on 80 pound Ermine paper. A focal point layout was followed. The contained one pica inner margins, and outer margins that varied.

Photography was done by Root Photography Studios in Chicago, Illinois and student photographers on the Lowellian staff.

The copy style was Melior type.

Lowellian 1977 started out with good intentions. But, as the year progressed, we lost sight of our goals, and turned to a new style. Simplicity.

Staff members changed with the tide. For those who hung in there with me, I'd like to extend a humble THANK YOU.

Mr. Wilson's guidance and assistance was immeasurable. Looking past the mistakes, we are still proud to present the Lowellian 1977.
